The Honorable Tom Cole
Chairwoman
Committee on Appropriations
H-307, The Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn House Office Building
Washington, D.C. 20515

Dear Chairwoman Cole and Ranking Member DeLauro:

I am requesting funding for the LYNX Digital Signs Project in fiscal year 2025. The entity to receive funding for this project is the Central Florida Regional Transportation Authority (LYNX), located at 455 N Garland Avenue, Orlando, Florida 32801. The funding would be used to procure and install digital signs to provide real-time information to passengers using public transportation. The project would be a valuable use of taxpayer funds because the project is a transit capital project, which is included in the Transportation Improvement Plan (TIP), and sponsored by a local government transportation authority.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Darren Soto".
