HONORING MITAL HALL AS A DISTINGUISHED LEADER IN CENTRAL FLORIDA FOR ASIAN AMERICAN HERITAGE MONTH

HON. DARREN SOTO
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES
Wednesday May 27, 2020

Mital Hall, PMP, LEED AP O+M has 20 years of experience in sustainable development including working with universities, federal, state, and local governments and businesses. Her expertise lies in strategic planning, policy development, and implementation of programs that focus on high efficiency, low impact building design and operations, impacting over 50 million square feet of space, and through the management of small and multi-million-dollar programs. Mital's ability to synthesize the discipline of professional project management with the multifaceted, stakeholder intensive process of sustainability has led her to success in some of the largest institutions in Florida.

As Vice President for ecoPreserve, Mital oversees all programs and strategic direction. Her skill set includes the incorporation of cost-effective and sustainable solutions into organizational structure, policy development, energy efficiency program administration, and much more. She is also responsible for helping to create a company environment that embodies social responsibility

through decisions that are both tactical and strategic in nature. Her leadership style is distinguished by a team-oriented approach that uses solutions-based strategies paired with a high level of positive morale.

Mital is a published author and currently serves as President on the US Green Building Council – Central Florida. She serves on several other boards including University of Central Florida's (UCF) India Center; UCF's Global Economic and Environmental Opportunity Center; University of Florida Sustainable Design and Construction; Smart Cities Chair for the Indian American Chamber of Commerce of Central Florida; Airports Council International – Sustainability Working Group; ARCP Environmental Impacts Review Committee, and Project Management Institute. She has even served as a United Nations Delegate, representing Orlando and offering a private sector perspective to sessions. She has also recently been accepted into the National Renewable Energy Lab Energy Executive Program.
