The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Osceola Dental Network Equipment Replacement project in fiscal year 2027. The entity to receive funding for this project is Primary Care Medical Services of Poinciana, Inc. (D.B.A. Osceola Community Health Services), located at 1503 Bill Beck Boulevard, Kissimmee, FL 34744. The funding would be used to purchase dental equipment including chairs and imaging equipment. The project is an appropriate use of taxpayer funds because it is for the purchase of equipment serving the public in underserved communities.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Darren Soto".
