The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of St. Cloud Police Department's St. Cloud Police Safety Equipment and Technology Upgrades project in fiscal year 2027. The entity to receive funding for this project is the City of St. Cloud Police Department, located at 4700 Neptune Road, St. Cloud, FL 34769. The funding would be used to purchase emergency operations and 911 communication equipment and upgraded technology to support the mission of the City of St. Cloud's Police Department. The project is an appropriate use of taxpayer funds because this project is for the purchase of technology and equipment needed for local law enforcement to improve officer safety, enhance community relations, and increase security for citizens and area visitors.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Darren Soto".
